Safety tips

Before installing and using the device, read the instructions for use and especially the safety warnings carefully and follow them.
If in doubt, contact the company before using the device.

Information on use

The device is not affected by the room's temperature, though it must NOT be installed in environments subject to temperatures below 4°C or above 40°C.

Do not install in saunas. Not comply with the indicated temperatures may damage the plastic coating of the device.

Warranty

The warranty has a duration of two - 2 - years; if in this period material or processing defects appear Ponte Giulio USA Corp. will repair or replace the product free of charge
