Warning

Before installation and use, read the installation and use instructions in their entirety. If questions arise please contact Ponte Giulio company.

Cleaning

- The grab bar is not affected by the room's temperature, though it must not be installed in locations subject to temperatures below 39°F (4°C) or above 104°F (40°C).
- Do not install in saunas.
- Not following the temperature recommendations may result in damage to vinyl coating on grab bars and flange.

Warranty
